

Dear All,

Following the good practice of several HUSSE conferences before, we intend to make a session of book presentations at HUSSE 12, calling the attention of conference participants to academic books (monographs, collections of articles and edited books, printed and electronic ones alike) published in the preceding two years: 2013 and 2014.*

Books fulfilling the above criteria written by HUSSE members and related to any area in the broader field of English studies can be submitted for the book presentation.

For this purpose, the organisers are expecting the authors (editors):

1. to send the publication data of the book concerned to BOTH
Tamás Bényei at: tamasbenyei@yahoo.com
Tibor Glant at: tglant10@yahoo.com
2. to recommend one or two HUSSE members who the author (editor) finds suitable to present the book.

Data submission deadline: 20 December 2014

After the submission of the data above, the book presentation organisers will contact the authors and the recommended presenters.

Looking forward to receiving your suggestions,

Organisers of HUSSE 12

N.B. The book presentation is not the same as the book award (for the book award, see a different call).

*Books from the year 2012, but published beyond doubt on a date later than the submission deadline for HUSSE 11 conference book presentation can also be proposed for this presentation.
